Kerala Hindus of North America WASHINGTON

Namaste!

Kerala Hindus of North America (KHNA), the largest Malayalee Hindu Association, is a non-profit, tax exempt organization aimed at the enhancement of education in Hindu philosophy, creation of a forum to build networks among Hindu Malayalees, spiritual development of the children and the youth and the fulfillment of the cultural, educational and socio-economic needs of the Hindu Community in general. Since its inception in the year 2001 the organization has been rapidly expanding its membership and services to various regions of USA and Canada.

KHNA's Sixth Biennial Convention will be held from July 1 to 4, 2011 at the exquisitely decorated Swami Sathananda Saraswathi Nagar inside the most elegant Hyatt Regency Hotel, Crystal City near Washington DC. One of the best hotels in the Capital City, Hyatt Regency which is located 10 minutes from the Reagan National Airport, provides breath-taking views of the historic Potomac River with the airport in the background and is perfectly positioned to allow easy access to the entire Washington metro area. Take advantage of amenities including a complimentary shuttle to the airport and easy access to Metro transportation. Within minutes, you can be exploring the nation's best monuments including the Washington, the Lincoln and the Jefferson Memorials, the World War Memorials, the museums as well as the National Capitol, and even taking in a show at the Kennedy Center or touring the White House!

You have the privilege to participate in this 3 day event at the Convention, filled with activities in a devotional and pleasant environment, such as seminars and discourses by highly learned scholars, Satsang with Sri Sri Ravi Shankar, who will be our chief guest, meditation and yoga sessions, cultural programs by artists from all over USA and Canada and by invited artists from India, children's talent shows, workshops on selected topics on the relevance of religion in facing challenges of day to day life - all to allow you for a peek into the richness of our religion that is Sanadhana Dharma and feel proud of being a Hindu. You can also conveniently extend your stay for a meager additional cost, for the Fourth of July Independence Day celebrations and watch the breathtaking fireworks at the Mall, a once in a lifetime opportunity.
